When adding your setting or school to the Online Tracker, please add the project code in brackets and a code for your local authority in brackets. The project code is (PBP) and your LA codes are:

The screenshot shows the I CAN Tracker web application interface. The top navigation bar is dark purple with the text 'I CAN Tracker' on the left and a user profile icon labeled 'costahelena_5551' on the right. The main content area is titled 'Sunshine Nursery'. A green notification banner at the top of the main area contains two bullet points: 'Further instructions have been sent to your e-mail address.' and 'Setting/School Sunshine Nursery has been created.' Below the notification, the text reads 'There are no Children in this Setting. First create a Group and then add a Child.' On the right side, there are three buttons: '+ Add Staff Member', '+ Add Group', and 'Edit Setting' (which is circled in red). Below these buttons is a 'Report' button. On the left side, there is a sidebar menu with the I CAN logo and the tagline 'helps children communicate'. The sidebar menu items are: 'Home', 'Setting/School' (circled in red), '+ Add Child', '+ Add Group', 'Report', and 'Contact Us'. A large number '1' is placed next to the 'Setting/School' menu item. A large number '2' is placed next to the 'Edit Setting' button in the main content area.
